## Key Account Executive

Our Key Account Executives are responsible for driving revenue results primarily through new account acquisition. Gifted relationship managers, our Key Account Executives cement long-term market partnerships through the deployment of practical, tailored service solutions. Consultative and highly business literate by nature, our team employs a value-based, client-centred approach to qualify potential sales opportunities and drive new business growth.

This position couples a highly competitive compensation offering with an aggressive pay-for-performance commission program. To let us know why you would be a perfect fit for our team, please respond to [humanresources@euroworld.ca](mailto:humanresources@euroworld.ca).
